ABOUT YOUR SMART POSTPAID ACCOUNT

Credit Limit
A nominal Credit Limit plus an allowance set by SMART controls the total amount of charges that you are allowed to incur within a billing period. When your nominal Credit Limit is exceeded, service may be subjected to Redirection at any point in the billing period. SMART may modify your Credit Limit from time to time and send a notification to inform you of such changes. You may also request for a change in your Credit Limit, subject to approval of SMART.

Disconnection
Disconnection is the total barring of services due to overdue accounts, or such other cases as may be determined by SMART. Accounts with unpaid balances may be endorsed to a Collection Agency/Lawyer and charged with interest, collection/litigation fees and applicable pre-termination fee.

Payment Due Date
The Remaining "Balance From Previous Invoice" is considered an "overdue" balance and must be fully paid immediately to avoid Redirection or Disconnection. The "Total Current Charges" must be fully paid on or before the Due Date indicated in the Billing Invoice.

Lifting of Redirection or Reconnection of Service
Lifting of Redirection or Reconnection of Service happens after receipt of the required amount of payment and posting to your account. You may also request for Lifting or Reconnection of Service by calling (02)- 8848-8889 using a landline or by calling us toll-free #888 using your SMART mobile phone

Redirection
Redirection is designed to help you manage your account balance and assist you with billing or payment-related concerns. When your service is subjected to Redirection, outbound call attempts will be forwarded to SMART, which provides an option to request for self-service lifting of Redirection or to speak with an Enterprise Hotline Agent. Meanwhile, your inbound service is active (e.g. you may still receive inbound calls, SMS, MMS and pre-enrolled Value-Added Services, etc.), while all other services (e.g. outbound calls, SMS, MMS, Data Value-Added Services, all International Roaming Services) are barred. Recurring charges such as Monthly Service Plan and Pre-Enrolled Value-Added Service are billable during the Redirection Period.

Questions About Your Billing Invoice
Please examine your billing invoice carefully. In case you have questions, you may contact your assigned Relationship Manager or Collection & Reconciliation Analyst. If no error or dispute is reported within thirty (30) days from Invoice Date, the billing invoice shall be considered true and correct.

IMPORTANT REMINDER: UPDATE YOUR COMPANY'S BILL RECIPIENT
Keep receiving your electronic billing invoice without any interruption.
Inform us of new Bill Recipients in your company by sending an email to enterprisesupport@smart.com.ph or to your assigned Collection & Reconciliation Analyst.

IMPORTANT UPDATE: Enhancements to Enterprise Invoice starting May 2026

Dear Valued Customer,

At SMART Enterprise, we continously look for ways to improve the experience we provide to our customers.

As part of this commitment, we have embarked on a billing transformation initiative, and beginning May 11, 2026, we will be implementing enhancements to our invoicing system.These improvements are designed to make your bills easier to understand and manage, while ensuring full compliance with the Ease of Paying Taxes Act (EOPT) as mandated by the Bureau of Internal Revenue.

Please note that these changes affect only the Enterprise invoice format and bill delivery process. There will be no changes to your subscribed plans, charges, or billing computation.

Key enhancements include:

Improved Invoice Layout - A refreshed invoice format that provides a clearer presentation and breakdown of charges and taxes for easier review.

Consolidated Statement of Account (CSOA) - Customers with multiple billing accounts may request for a consolidated summary for easier monitoring and reconciliation.

Automated Email Delivery - Bills will be automatically sent to the registered bill recipient(s) identified by your organization, helping ensure timely and reliable receipt. Multiple invoices may be delivered to a single designated recipient where applicable.

New Bill Sender Email Address - Electronic Invoices will now be sent from esoa@smart.com.ph, replacing onebill@smart.com.ph. We recommend adding this new sender to your safe senders list to ensure uninterrupted delivery.

These enhancements are part of our continued efforts to simplify and improve your billing experience.

Should you have any questions or need assistance, please feel free to reach out to your assigned Collection & Reconciliation Analyst (CRA), Relationship Manager (RM) or reach us through our Enterprise support channels:

Hotline: #888 (via mobile) or (02)8-8488889 (via landline)

Email: enterprisesupport@smart.com.ph

Thank you for your continued partnership.
SMART Enterprise

Frequently Asked Questions (FAQs)

1. Will this change affect my subscribed plans or charges?

No. These enhancements only update the invoice format and bill delivery process. Your subscribed plans, charges, and billing computations will remain unchanged.

2. Why is this change being implemented?

The enhancements are part of our billing transformation initiative aimed at improving the clarity and usability of your invoices. The updates also ensure compliance with the Ease of Paying Taxes Act (EOPT) requirements mandated by the Bureau of Internal Revenue.

3. What changes will I notice in the invoice?

You will see an improved invoice layout with a clearer breakdown of charges and taxes to make your bill easier to review and understand.

4. What is the Consolidated Statement of Account (CSOA)?

For customers with multiple billing accounts, a consolidated summary may be requested to help simplify monitoring and reconciliation across accounts. Should you wish to receive the same, please contact your assigned Collection & Reconciliation Analyst (CRA).

5. Will there be any changes to how I receive my bill?

Bills will continue to be sent electronically, but they will now be delivered through an automated email process to the registered bill recipient(s) identified by your organization.

6. Why is the bill sender email address changing?

As part of the new system, electronic invoices will now be sent from **esoa@smart.com.ph** instead of onebill@smart.com.ph. We recommend adding this email address to your safe senders list to ensure uninterrupted delivery.

7. Is there anything I need to do?

No action is required. Just continue using your services normally.

8. Will this enhancement impact my personal Smart account?

No. This change only covers Enterprise customers and Enterprise billing accounts.

9. Who should I contact if I have questions?

You may reach out to your assigned Collection & Reconciliation Analyst (CRA), Relationship Manager (RM) or contact our Enterprise support channels:
